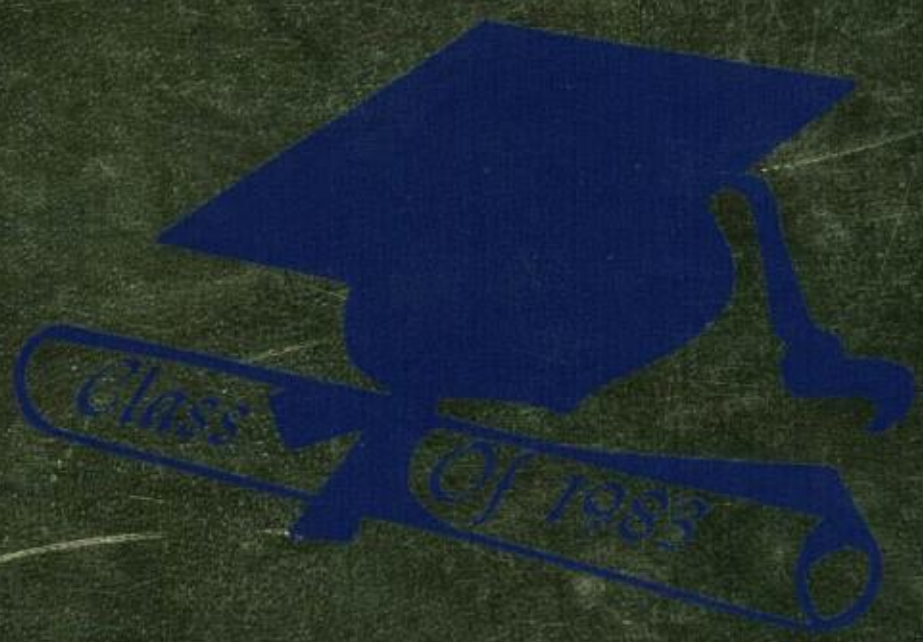
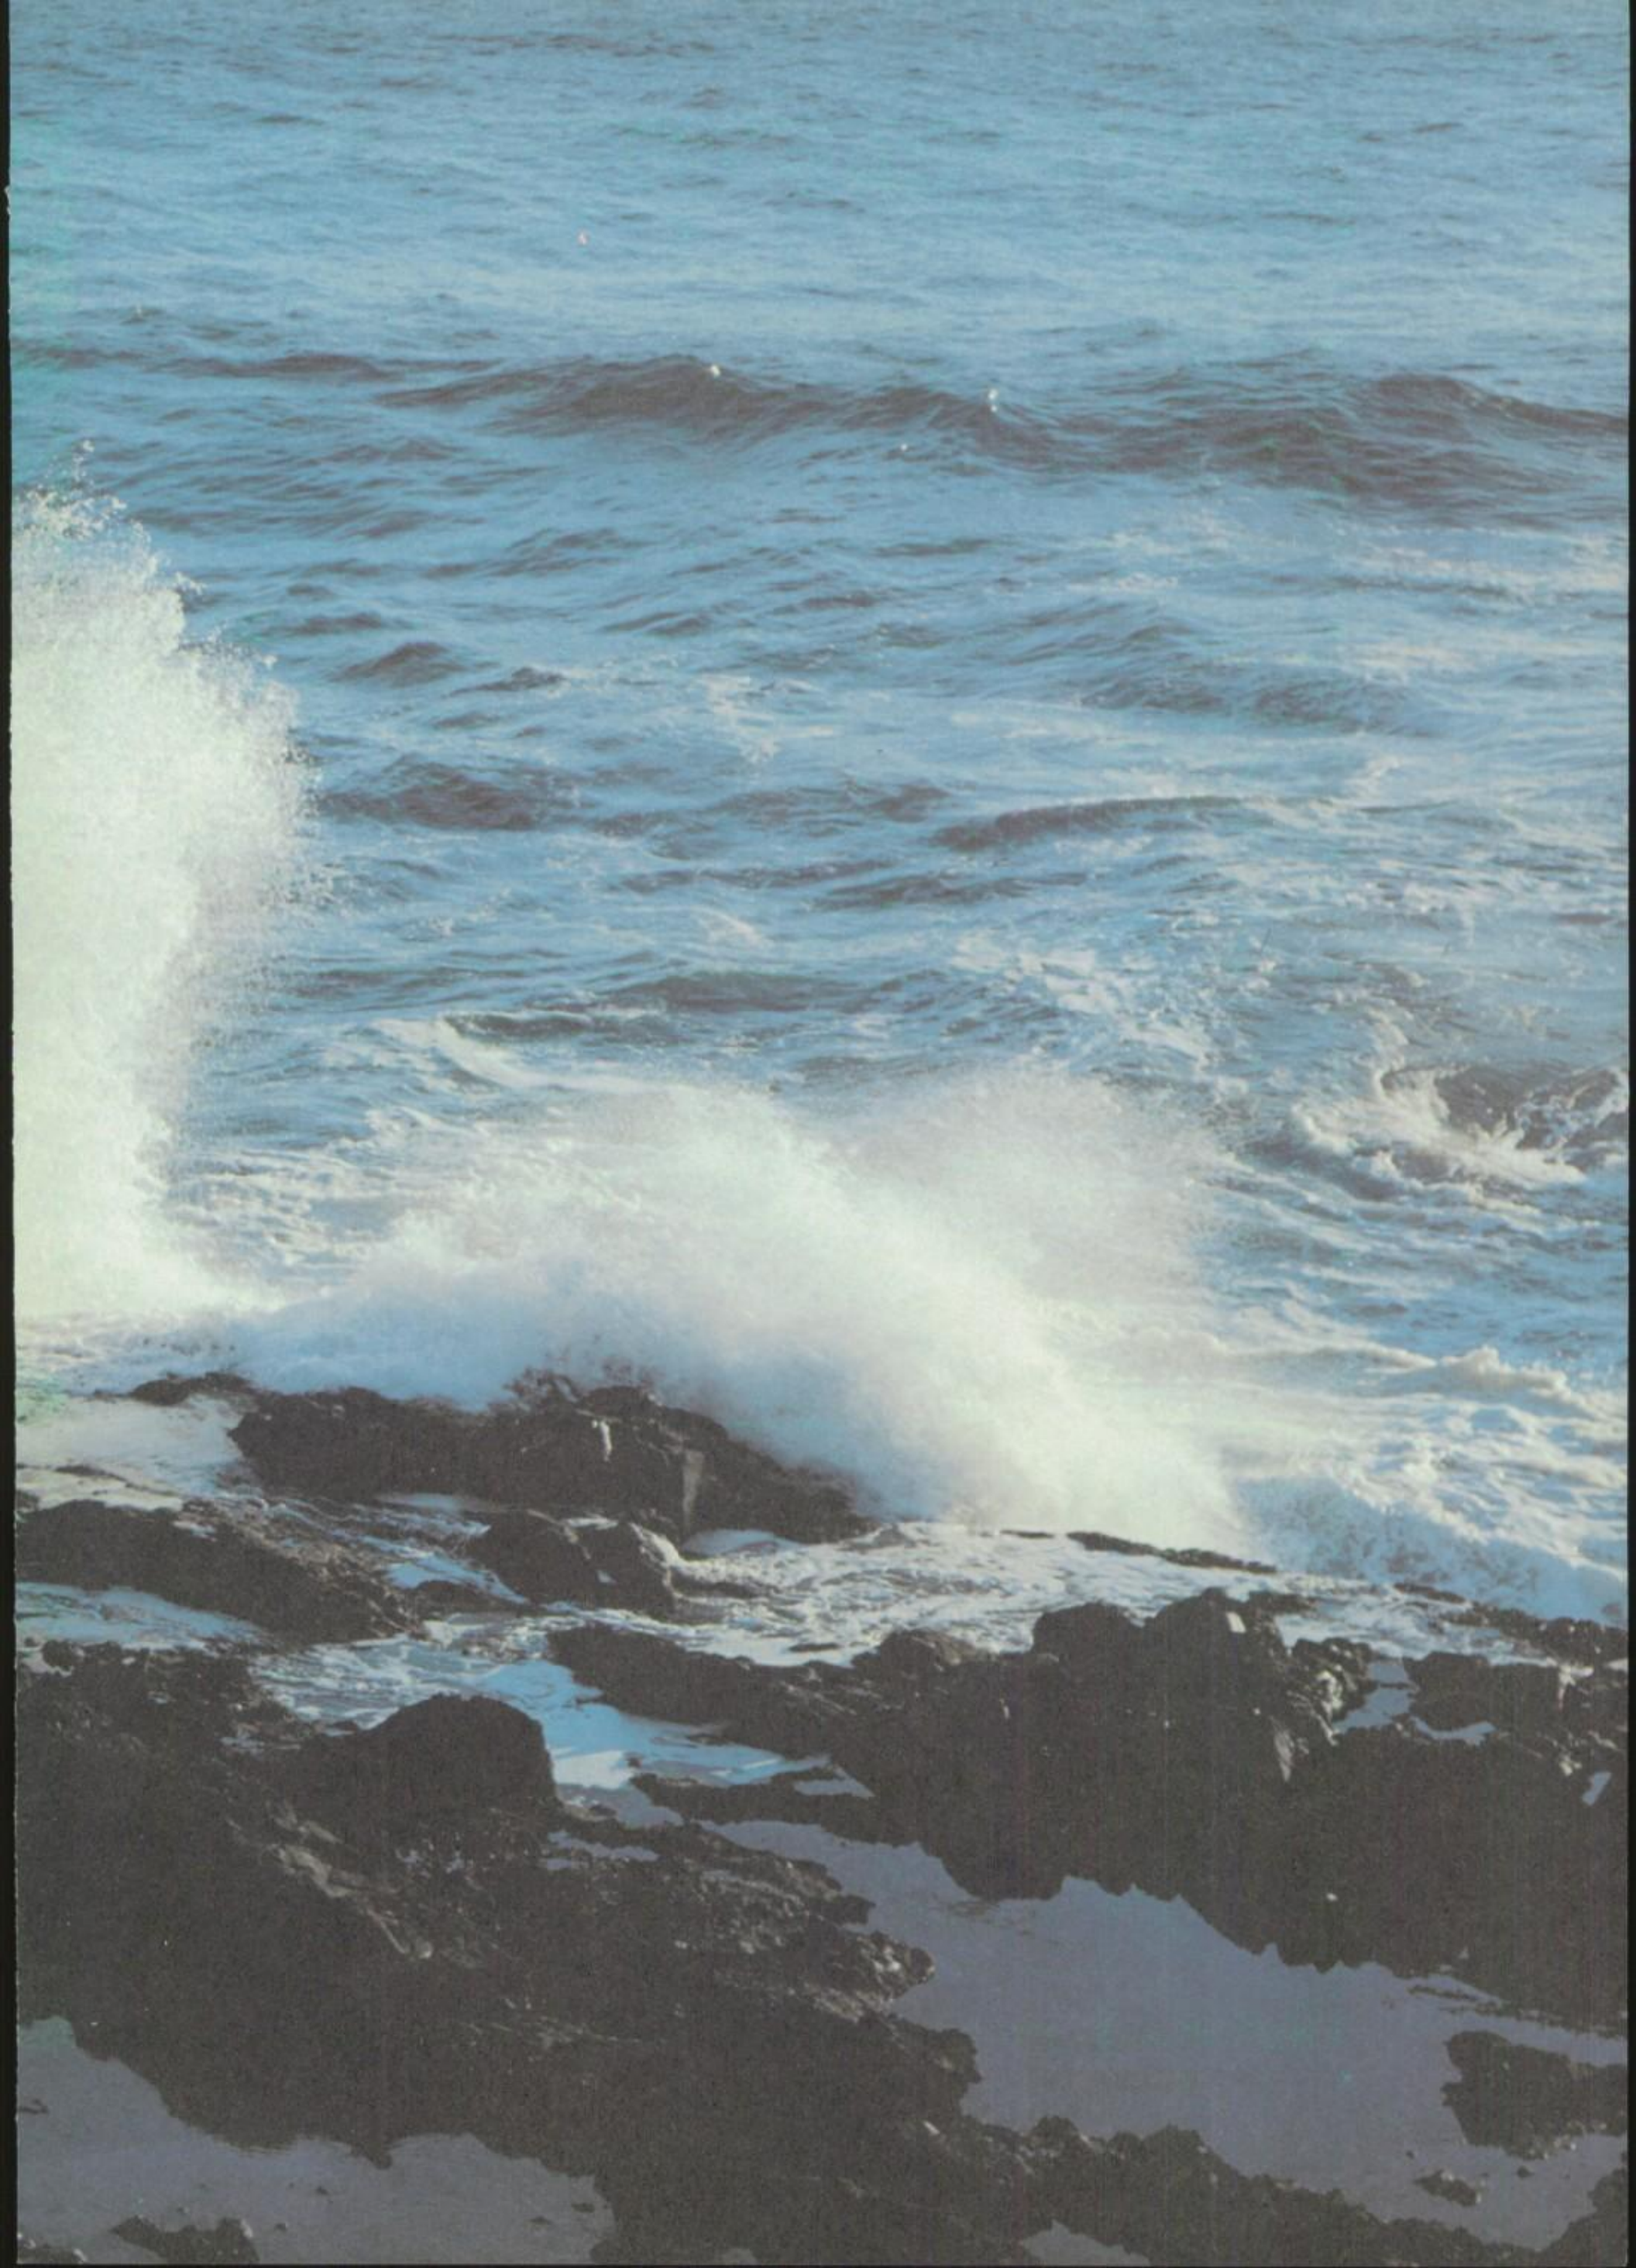
YEAR at a glance



1983



DEDICATION

This years annual is dedicated to an individual who has done many wonderful things for the students and school. She has contributed many hours of her personal time and energy toward school activities, is an Advisory Board Member, and opened her home for a bording student.

We are very greatful for her efforts, to show our appreciation, we dedicated this annual to MRS. HONORA COOK.

We,

the Seniors will the following items and memories upon our graduation...

I, Ephim Ananhonak, give my will of playing good basketball to Keith, Dave, and Joe and Ray.
I, Alma Tanape, leave the best of luck to the 1984 Seniors, because they sure are gonna need it.
I, Trina Parrett, leave all my homework to the teachers. (We all know they could use as much homework as possible.)
I, Richie Bartholowits, will my height to Andy and ability to keep my cool on the basketball court to Keith.
Being os sound mind and of sound body, (hopefully) I, Benny Covey, will my History grades to Davy and hope he will uphold them.
I, Lisa Santos, will my unique laugh to Heidi and Kim in hopes that they will be able to freak other people out just as I have.
I, Norbert Miller, will my basketball ability to, Oh. . Ray, I guess, since be needs all the help he can get. Also being of high intellect, I will a portion of it to Davy he needs help in this department; and whatever singing ability I have I shall will to Keith.
I, Susan Gross, leave Mrs. Brantley to Waynel and Dawn. If you listen to her she will help you through your remaining years at Ninilchik and she will also be your friend.
I, Gary Covey, will my nimble fingers and advanced computer knowledge to Raymond.
I, Leo von Keitz, bequeath all my hard work in the Science classroom to Mrs. Thomas. Also I give all my fellow classmates my best reguards in the future years to come. Also my reguards to the poor underclass students goodluck and have happy, memoriable high school years.
I, Bill Steik, will to Davy my #1 spot in the Tenor section.
I, Tessie Hanson, will my ability to sweet talk my way out of the worst situations to Heidi and Kim because I know they will have no problem doing this.
I, Charlotte Rasch, being of sound mind and body hereby will the following things to the following people: My ability to get along with just about anyone to Mandy, my smile to Ronna, and my position as basketball manager to who ever wants it.
Being of sound mind and body I, Carla Strass, will my cheerleading uniform, goodtimes, hasseles and the ability to sneak into Schaetzles room late without being caught to Geri, knowing she can handle all of them as well as I did! Have fun Ger.
